Ref. No.002/VPS/2020

Every child is a different kind of flower, and all of them together, make this world a beautiful place.

Vidya Public School welcomes all students and parents of Nursery and Prep to yet another exciting year 2020-21. We are looking forward to a very fruitful and productive 2020-21. As usual we continue to strive in our mission to provide the best possible educational program for our students. Our aim is to bring about a holistic development in the child and all the activities will be planned and executed with this aim. We know that you all are looking forward to the new experience for your ward in the new environment. But unfortunately there is a slight delay in the same except for the learning part because now learning will happen virtually. We would like to assure you that the school is doing whatever best we can do in these times to fill in the gap created due to unprecedented holidays. We have moved our classes online. Our teachers are reaching to all the students through their homes through zoom app/ nlp app. Online classes for new session 202-21 will commence from **Tuesday, 07 April 2020** accordingly

Time- table and other details for the online classes will be shared by the class teachers with the students on Monday 6th April 2020. The daily schedule will include recorded lessons by the teachers, suggested online resources along with relevant and interesting assignments.

Assessments

The assessment schedule for all classes will undergo a change and re-structuring, based on the notification for re-opening of the schools.

Kindly refer to the school website and the parent portal for any further updates.

We thank you for your goodwill and support in these trying times.

Stay safe .
