

VIDYA PUBLIC SCHOOL
CIRCULAR FOR TRANSPORT

Date: 11.11.17

Ref.No/VPS/102

Sub. : Use of unsafe and illegal Vans / RTV's for transporting school children.

Dear Parent,

As per the recent R.T.O rules, private vehicles (unauthorized Bus, Mini Bus, Auto rickshaws, etc) should not be used to ferry school children to and from school. These guidelines have also been reiterated by the Hon'ble Supreme Court of India. The rule is important as these private vehicles may not prescribe to the safety and security norms for school children.

It has been observed, however, that the majority of vehicles / private vans hired by the parents are not in compliance with the proper guidelines which is risky as well as unsafe, and, thereby, fail to provide a harmless commutation for the students. From time and again, the school authorities have disseminated the parents and provided guidelines for the operating private vans, but, all in vain (kindly refer to the Circular dated 10th October, 2017). It is our humble request that you should use the safe school transport and abstain from using private vans as a mode of transport because of their fatal consequences.

• **New routes will be added during the Academic Session 2018**

Therefore, all parents are requested to co-operate with the school for designing new bus routes, and not to insist on any personal or a particular bus stoppage, specially at house doorsteps or on ' C ' roads where entry of school buses is barred. Parents of students willing to avail the school transport facility for the next session are requested to check the new routes & inform the **Transport Incharge- Ms. Monika & Mr. Ajay . In order to avail the school transport fill in the details in the transport form and return it to the Transport In-charge.**

Please Note: From next session 2018 school will not allow the students to use unsafe and illegal Vans / RTV's for transporting school children. Hence it will be the responsibility of the parents to pick and drop the child from the school or else opt for school transport.

Please Note :You will get the hard copy of the circular with New routes list charges and transport form from the class teacher.

With Regards
Vice Principal
